Welcome, Daisuke Yamamoto and Erika Misaki.
.....
I am Emerald Maria Habu, the administrator of Arcana.
You have both chosen to
change the world you live in.
And to destroy it.
.....

WILDCARD
ワイルドカード
ジライケン

I told you earlier. We're inside Arcana.
Where exactly are we?
Um....
Wha.. Huh!? What do you mean?
Now, let's make some changes, nice and quick!
Ah.... Alright.
.....But first give me something to wear.
Please explain properly.

Um.... What about my clothes?
Setting?
Ugh... I can't be bothered to look for them.
Flap
Flap
So you're back to the default setting.
.....You have been reborn.
How come I feel so defeated?
Oh... Here's some stuff
Here
You're okay without them, aren't you? You're a guy!
You could at least give me something so I can cover up.

We are the creators of Arcana, the app you activated.
Arcana turns people's imagination into reality.
From now on, both of you can be whatever you want to be and do whatever you wish depending on your imagination.
But, what does that .....
I think you already know
You have eighth grader syndrome so imagination should be your forte, right?

For example, I have some great powers that I could never disclose to others, or……
The reason why I don't have any friends is because I don't want to drag them into my problems, or……
Flunking on PE and tests is just a front to cover up my real identity.
Haven't you day-dreamed that sort of thing?

I'm…… ……
……in the prime of your adolescence, right?
……Well, you've been staring at my boobs for long enough.
I'm sorry. I do have eighth grader syndrome!
…… Well, um, uh……

I'm just a teenage boy. Please don't toy with my imagination!
ガバッ
Then let us see the extent of your imagination
Show me....
As a reference, I found this document
Notebook
俺設定ノート
My Settings Notebook, huh?
Do-
Don't touch that!!

No one can find out who I really am. Otherwise, I could get others involved.
I have a secret that I cannot disclose to anyone
A special power that no ordinary person possesses
Level Booster
I am a solitary hero.....
Nooooo!!
Waaaa Please don't read it out loud!!
Notebook
So you do have the typical eighth grader syndrome
.....Ugh I wish I was born a flower or grass.
Now let's see... This one is titled My Dream World

I have two friends from childhood
Albert and Lancelot.
They are handsome knights that guard me, the princess
The time the three of us spent together was so precious and dear to me
But something put an end to that treasured time.....
NOOoooo!!
Eeeek! Please don't read it out loud!!
You're into this kind of stuff, huh?
Sob sob..... Now, no one is going to marry me!!!

I can't relate to any of this...
But the place where people with a crazy imagination like yours gather...
that's Arcana
Transform yourself from a dull supporting role
Into the ideal hero or antihero you see in comics...
Don't you want to be superhumans like that?
...Of course I do, but I don't think that's possible in real life...
What if it is possible?

then the second stage must be the birth of humans. So, what comes next?
If the emergence of primates on earth was the first stage of evolution,
Do you know that the human brain is still incomplete?
Arcana is the key to this evolution.
You might call it a sixth sense, supernatural powers or something else, but here we call it the third stage of evolution
It is activated by detecting the particular kind of brain waves of humans
and the imagination resonates through smart phones!
...!

That, Yamamoto, is your memory.
Is that me!?
Looks like you're having a tough time in the real world
You don't have any friends. You are being bullied.
Your grades aren't great.
Misaki You are.....
I just want my mother to be proud of me
That's all I want
.....
Misaki-san

That's enough for the preliminaries. Let's get to the point.
Doesn't that sound good?
Hee hee... With Arcana, you can reset yourself, your family and society.

If I really can...
...If I can really change myself.

I've come this far but what if this is just some kind of candid camera trick.....
or what if I touch the smart phone and it goes boom!
.....
Is that possible .. ?
Hurry up and make up your mind!
Waa!
What the heck, my body is glowing!?

Oops, looks like it's too late
I forgot to tell you something Just one thing.....
Waaaaaaa!!
Our bodies! They're falling apart!
Huh? Of course I'm doing my job, Weasel!
Yep, I just transferred the kids
Weasel
First, we're executing Plan A
Let's start the experiment
You're in charge of what happens your end

Huh!!
My body is breaking up…
……Ah Awwww Waaaaaa
Now I remember, Fear was over there !
The school roof…!?
……
Huh?
I remember this fence was broken….
……!

Of course, reality is reality.
Nothing is going to change.
...So it was just a dream.....
Including this thing on my hand.....
Hey, isn't that Yamamoto?
What are you doing up on the roof?
You're not thinking about killing yourself, are you? Hee hee.

Why don't you go ahead and do it, chicken!
Or do you need a little push!?
.....Ugh!
Then I could .....!
Le-Level .....!
If this dream is real, I could..
You're totally freaking me out!
Huh!?
Hahaha, what the heck was that!?
.....Never .....mind.

ゴ
ゴトゴト
Ha...

.....
.....I wonder who that girl is?
She's so pretty.... I've never seen her before.
ゴトン...
.....
ゴトン。。。
Today was another terrible day....

I wonder if she's from the same school.....?
I guess my day wasn't so bad after all.....
.....Hey! Do you mind!?
Are you listening to me? Can you scoot over!?
Huh..

I want to sit here!
What? There's plenty of other seats....
...Hm
She looks even prettier close up
.... She seems a bit odd though
I don't have the courage to talk to her.....
.....Um Nothing .....
What?

Looks like your life is boring, too.
Oops, I have to get off!
Thank you for riding with us.
What!?
ゴゴゴ

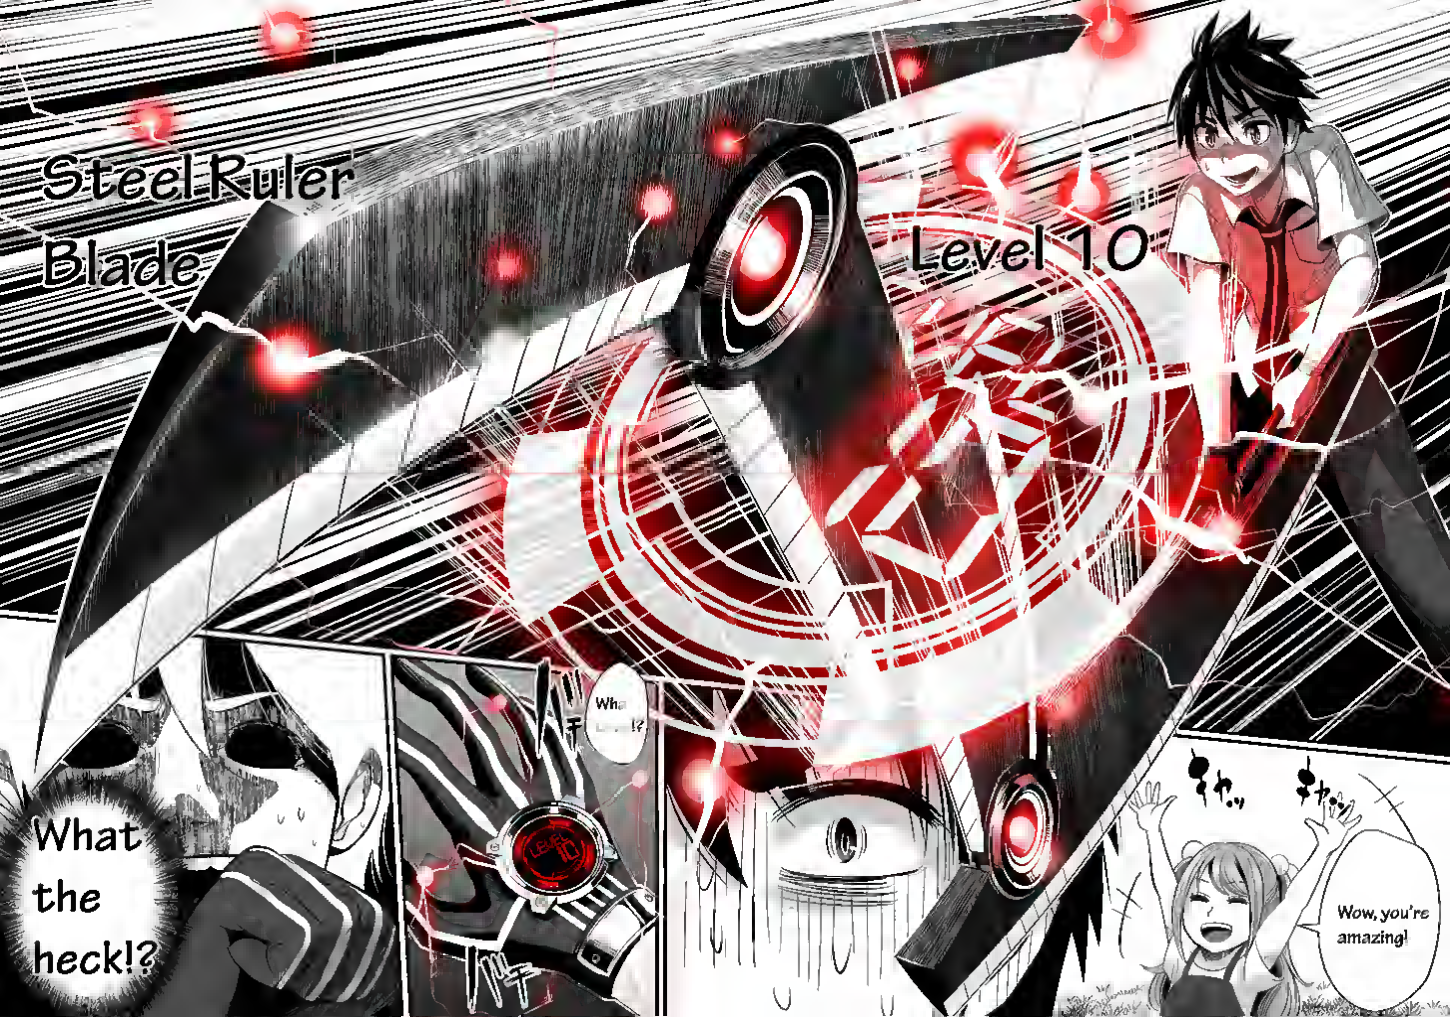
Hey!
.....
What was that all about?
Heey!
Yachiyo, what are you doing here?
I'm on my way back from my friend's house!
Oh!

Ha..haha
.....
.....Yes
But I'm used to it now
I feel sorry that you can't hang out with your friends because of that.
I know you don't want people to find out your real identity
Your superpowers!
Hey, can you show me?
Nooo!
I want to see!
Show me!!
Please, please!
Pretty please!
Ah... um
.....Not a good idea in a public place like this...

started to believe that I have special powers.
My little sister saw my comics and
Yaay!
Sigh... I guess I have no choice.....
I got carried away and went along with it....
"How did this all happen.....
I guess no one can see us here.....

Here I go!
The least I could do for my little sister is to pretend that I am a hero.
Activate Level Booster!
Level 10 Steel Ruler Blade!!

...Huh!?
Now I take out my steel ruler I modified during technology class
to make it a bit more dramatic
Wha-What!? What's this!!
Whoa.. Huh!? Waaaaaa!!



Steel Ruler Blade
Level 10
What the heck!?
Wha...!?
LEVEL 10
Wow, you're amazing!
